Still Meadows has had a very successful 2018 and we are looking forward to 2019. Our challenges have been the unusual weather, some health issues with the animals because of the weather, and driveway damage, also because of the weather. It seems that many of our therapeutic riding sessions were cancelled due to heavy rain or storms, but our camp sessions had no weather problems. The campers and volunteers were very pleased with the activities brought by Hailey Lantz and Cati Hermes.

In October, Still Meadows received a grant from KOVAR, an organization that supports facilities that address the needs of individuals with challenges. This grant was for a partial paving of our driveway. After some negotiating, Partners Excavating offered to pave the entire drive at cost. Since they have been responsible for the drive since the opening of camp, we were thrilled. On October 22nd, the driveway was paved from top to bottom, as well as areas for parking. A large group of students and chaperones from the Turner Ashby High School Special Education Department visited Still Meadows on October 29. They had several students in wheelchairs. The paved driveway allowed them to move to various areas with more ease. Thank you, KOVAR and Partners Excavating.

Pushing students in wheelchairs up and down the driveway is so much easier. Even the golf cars appreciate the new drive.

A beautiful totem pole now resides beside the Still Meadows Picnic Shelter. Lisa Woods completed the totem pole carved from one large tree trunk by painting each individual animal. We thank Lisa Woods for her support of this project. It is a wonderful addition to the camp.

Campers suggested animals for the totem before carving began. The animals they chose were horse, wolf, lamb, turtle, and owl. Still Meadows caring hands were placed beside the flagpole.

The trenches were dug by men from the Diversions Center. Then they GENTLY carried it up the hill to be “planted”.

The totem pole was unveiled at the Volunteer Appreciation Picnic in October.

Bringing the new totem pole to its home in front of the picnic shelter.

Because of extensive medical bills and/or other family situations, many families are not able to afford to send their sons or daughters to Still Meadows Enrichment Center and Camp.

Individuals and clubs are encouraged to provide a full or partial scholarship to enable a camper or rider to attend either a one-week camp session or an 8-week therapeutic horseback riding session. Each program also provides the participant’s family with much needed respite that allows them to regroup physically and mentally.

Your tax-exempt gift will provide a full scholarship to a camper who would otherwise be unable to attend one of our programs.
