SUMMER IS WINDING DOWN

Summer camps are now just a wonderful memory. Our Day Camp Directors organized and led enthusiastic camp sessions. They and the terrific volunteers brought nature to the campers through crafts, chants, gardens, games, animals, and other challenges.

Speaking of animals, we received new additions to the barn this spring. We now have our young alpaca, White Foot, which was new to the campers. We also added two tortoise-shell kittens, Mickey and Minnie. They are now happily exploring the barn. Mickey is very outgoing and loves attention. Minnie is quieter and somewhat shy. Both are fun to cuddle and they get along well with our older cat, Smudge.

Kate James loves the animals, especially the horses.

RESOURCE TEACHERS...Remember to put Still Meadows in your plans for Spring, 2020. We offer field trips with a hayride through "John's Woods", a barn session meeting our animals, nature discussions and stories in the wheelchair accessible tree house, and MORE. There is no charge and handicap bathroom facilities are available in each building.

We extend our sympathies to the friends of Charles "Charlie" Daniel Robinson (1962-2019)

Charlie, for over ten years, you brought so much joy, laughter and love to our lives. I know hundreds of other people feel the same way. You will be greatly missed.

Devin Nesselrodt

Please remember Still Meadows in your estate and will planning so that future generations of special friends will be able to experience the healing power of nature.

FOR 2020 SUMMER DAY CAMP AND THERAPEUTIC RIDING DATES.

Steve Fleming always enjoys parachute activities.

We invite any group that has a member with a disability to use Still Meadows for your activities. Picnic in our shelter and enjoy the fantastic view of the valley. Handicap accessible bathrooms are available.

Still Meadows uses a TRUCK for many reasons. Furniture and supplies are moved to the Ride-a-thon site with a truck and trailer. Animal feed and water troughs are transported in a TRUCK. Gas and diesel fuel for the various mowers, weed eaters, golf cars, and tractor are picked up in a TRUCK. As our present truck has died and cannot be fixed, we are searching for a reasonably priced (or donated) 4x4 full-size pick-up TRUCK.

YES, I want to pay for a SCHOLARSHIP(s)

Because of extensive medical bills and/or other family situations, many families are not able to afford to send their sons or daughters to Still Meadows Enrichment Center and Camp.

Individuals and clubs are encouraged to provide a full or partial scholarship to enable a camper or rider to attend either a one-week camp session or an 8-week therapeutic horseback riding session.

Each program also provides the participant's family with much needed respite that allows them to regroup physically and mentally. Your tax-exempt gift will provide a full scholarship to a camper who would otherwise be unable to attend one of our programs.

- Day Camp (\$200)
- Therapeutic Horseback Riding (\$150)
- Partial Scholarship (Amount: \$ _____ Program _____)

BRIDGEWATER LABOR DAY CELEBRATION

The Board of Directors sponsored a food booth in the 2019 Bridgewater Labor Day Celebration on September 2, 2019. We sold our traditional pork tenderloin sandwiches and white beans. We thank Jerry Miller, Larry and Mary Taylor, and Gary and Joy Halterman who prepared the meat and beans. Several volunteers and directors worked in the booth selling sandwiches, beans, chips, and assorted drinks. Other directors and volunteers assembled the sandwiches, trying to keep ahead of the demand.

Before the evening was over, the sandwiches and beans were sold out. We thank all who helped make this another successful fundraiser. As usual, it takes a team to make any project successful.

Our campers love painting the always-patient Dusty, one of our therapy horses.
