This release is a condition for riding or working with animals (including horses, goats, cats and dogs, chickens and other farm livestock).

I understand and acknowledge that any involvement with livestock is a potentially dangerous activity which may result in serious injury or death. I understand the propensity of an animal to behave in dangerous ways and the inability to predict an animal's reaction to sound, movement, objects, persons, or hazard of surface or subsurface conditions. I fully understand that I or others may be injured as a result of negligence by myself or others or through no fault of any person, because of the unpredictable nature of animals. I assume all risks of injury, loss or death arising from my voluntary participation and that of my minor children, and voluntarily release Still Meadows, Inc., its officers, directors, board members, employees, agents, administrators, legal advisors, volunteers and other guests or invitees of Still Meadows, Inc., from any and all liability for such injury, loss or death.
