Hello from Still Meadows!

January 2026

Happy new year everyone. We hope that this year finds you well. Right now, Camp is tucked in for the winter, but we are planning for spring and, of course, summertime! We are excited to see all of our friends again, and our animals are more than ready for pets and cuddles. Day camp and riding dates are set set, fundraisers scheduled, and volunteer days are being organized. We are hopeful that this will also be a year for growth for Still Meadows, as we have planned and look towards building a new picnic shelter in the woods.

As you look forward to spring, please think about becoming a Still Meadows volunteer. Come out with a group to help us prepare gardens, buildings, and animals. Or come individually – or with a group of friends – to help with riding and/or Day Camp weeks. You can always come for a day or become a longtime volunteer.

If you have a group / organization that includes individuals with special needs, please consider visiting Still Meadows for a picnic or hosting your event here at camp. All of our buildings are accessible, and we are not lacking in open space. Please contact us to see if we would be a good fit for your group. We hope you enjoy our look back on summer 2025 and are excited to learn about what's in store for Still Meadows this coming year!

All our best,

Jodi Haas & the Still Meadows Board of Directors

Welcome Karlee!

Hello Still Meadows community! My name is Karlee, and I'm so excited to join the Still Meadows staff as the new office administrator. I'm a recent graduate of James Madison University, and you'll find me in the Still Meadows office. Outside of work, I love being outdoors, running, and spending time with my cats, and I'm grateful to be part of a place where the environment, community, and animals are truly cared for.

Projects On the Horizon

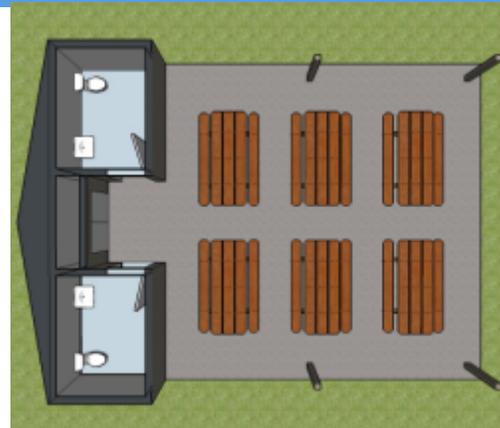

New Picnic Shelter

We're thrilled to share that plans are officially underway for our new picnic shelter in the woods! The blueprints have been drawn up, and the pavilion will be fully accessible to all. It will even feature indoor bathrooms with environmentally friendly composting toilets.

We can't wait to see this project come to life and to provide our community with a beautiful new space to gather and enjoy nature.

Indoor Riding Arena

Another project that we are anxious to begin is building an indoor riding arena on our property. Having an indoor arena will allow us to ride comfortably in all weather, whether the sun is beating down or the weather is chilly. We know that this arena will be a great addition to Still Meadows, and allow for more time spent with the horses.

BINGO

We've set the date for our annual Bingo Night!

Come out and join us on **Saturday, March 7th**, at Woodmen Life!

Bring your friends for a fun-filled night and a chance to win a **Gift Card!**

Spring Clean Up Volunteers Needed!

Come out with a group or individually to help us clean up and prepare our gardens, buildings, and animals before Summertime!
