Hello From Still Meadows!

Hello Spring! The season seemed to come early this year with warm weather and blooming flowers, until winter decided to reappear and take the flowers with it. But finally, it seems like the season is here to stay and camp is filling with color again!

We've already welcomed many volunteers up to camp and they've all been hard at work helping us to prepare for the summer months ahead. The shop and barn walls have been cleaned and waxed, all the plant beds are weeded and ready for flowers and vegetables, and our tent platforms in the woods now have new floors! These are just a few of the projects that our volunteers have helped us with so far, but much still needs to be done before camp gets underway. If you or a group you belong to are looking for a GREAT place to do some community service, please reach out. We would love to have your help!

As the camp comes to life for spring and summer our animals are preparing right alongside us. The alpaca and lamb will be sheared soon and the horses and donkeys are shedding their winter coats. Everyone is excited for visitors and ready for the warm months ahead!

Volunteers from Rebuilding Hope

During the week of April 20th we welcomed volunteers from the Rebuilding Hope organization. They worked hard during the week to help us rebuild the floors of our tent platform just in time for summer. We are truly grateful for their continued help and support!

Great Community Give

We are so grateful to have been one of the non-profits supported during the Great Community Give hosted by The Community Foundation on April 22nd. Thank you to everyone who supported us on giving day and helped us to reach a final donation total of \$14,195!
