HELLO FROM STILL MEADOWS!

With summer coming to an end, we are looking back on all the great times we had while also looking forward to the beginning of fall! In August, we wrapped up the last of our three successful camp weeks, along with our therapeutic riding season. It was so great to see camp filled with so many friendly faces, from our dedicated volunteers to our wonderful campers.

In addition to all of the outdoor fun we have enjoyed, we have also been hard at work making plans to build a new accessible picnic shelter! Thanks to a generous donation from KOVAR, we are one step closer to beginning construction.

As we step into fall, we are looking forward to all that lies ahead. We already have multiple volunteer groups scheduled to come out and lend a helping hand, and on October 11th, we will host our annual Fall Picnic in honor of our volunteers.

We are always looking for volunteers, so don't hesitate to reach out if you or your organization is looking for a great place to complete community service or give back to the community!

Overall, we plan to spend the fall continuing to improve and better our camp as we prepare for another exciting year ahead!

2026 CAMP WEEKS WERE A SUCCESS!

In August we concluded our day camp weeks for 2026! We had an amazing group of campers this year, some of whom have been here year after year, and some new faces that we were so glad to meet! Our campers and volunteers got to spend a one week or multiple enjoying the sunshine, singing and dancing, playing games, making crafts, caring for animals, building lasting relationships, and so much more! We can't wait to see our campers back here in 2027!

A special thank you to all of our dedicated volunteers who came out to help, we are beyond grateful for the support!

VOLUNTEER GROUPS

We want to give a huge thank you to all the volunteers who have come out to help us this year, including day camp volunteers, volunteer groups, and other individuals who just wanted to lend a helping hand. We would not be where we are today if it wasn't for the support from hardworking volunteers in our community. If you are interested in volunteering with us this fall please reach out, we'd be grateful to have you!

2026 THERAPEUTIC RIDING

In addition to concluding our 2026 day camp weeks, we have also wrapped up our riding season! Looking back, we are so thankful for all the riders we had the opportunity to support, the wonderful volunteers who came to help at every session, our amazing horses, and, of course, our incredible riding instructor, Emma. Throughout the season, our riders had the opportunity to bond with the horses, learn and develop their riding skills, and enjoy games and activities in the ring. Be sure to look at the image on the left to see our giant Connect Four game!

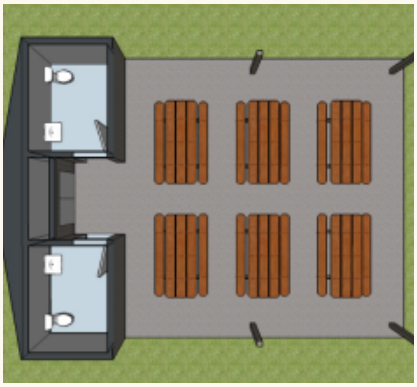

SAVE THE DATE
FALL PICNIC
OCT. 11TH

Our upcoming Fall Picnic will be held on October 11th from 1-3pm. This picnic will be held as a thank you to our wonderful volunteers. Invitations will also be extended to campers, riders, and families. If you are interested in coming, please note that this is a pot-luck style picnic so each attendee must bring a side, we will provide the protein!

WHAT ELSE IS HAPPENING?

BUILDING A NEW PICNIC SHELTER

THANK YOU KOVAR FOR AWARDING US WITH $20,000 TO HELP FUND OUR NEW PICNIC SHELTER

Plans are currently underway to build a new picnic shelter in the woods of our property! This shelter will include accessible bathrooms with eco-friendly toilets! We are so excited to have a place where all of our friends can safely enjoy the tranquility of the woods. The plans are drawn up and once we finish with securing funds, construction will be underway!

GIRL SCOUTS PAINTED OUR HAYWAGON!

This past August we were lucky to have two girl scouts working hard to repaint our haywagon as part of their Silver Award Project! They are giving the wagon a new fun look and making it usable for upcoming events and camp weeks!

IN MEMORY OF PHIL EWALD

For more than two decades Phil Ewald poured his heart into Still Meadows. We will be forever grateful for his support. Phil will never be forgotten.
